PANIC AT A BULL FIGHT.

Span's Noted Matador Is Seriously Injured by Texas Animal.

El Paso, Tex., Feb. 21.—Rafael Arana, known as Joarans Chies, has met with injuries in the bull ring that will retire him from life. He sustained a broken leg, his spine was fractured and his side injured. The fight was under the management of the Felix Robert, a French matador who himself dispatched two of the six bulls killed. It was the fifth bull that caused the excitement.

"Chico" went at the bull in the midst of cheers that fairly shook the amphitheater. He had been heralded as one of Spain's noted matadors. Scarcely had he made the death plunge at the bull when the infuriated animal "side-stepped" quickly charged and caught him on its horns. Rushing about the ring, bellowing and pawing with rage, the animal first tossed him to the right and then to the left, and finally crushed him against the walls. A panic ensued, only the gendarmes avoiding a rush that might have injured many persons.

MRS. CHADWICK HAS \$1,000,000.

Safely Planted in Places Only Known to Herself.

Cleveland, Feb. 21.—The Cleveland Leader says \$1,000,000 is the amount believed to be securely hidden by Mrs. Cassie L. Chadwick.

Collector of Customs Leach has so minutely traced the operations of this woman during the last four years that he is in a position to know that she has saved from her many financial transactions \$1,000,000 in cash. In addition to this sum the woman has just as safely placed \$150,000 worth of jewels.

Her arrest nipped her plans right at a time when they were about to bloom. A delay of a few more days would certainly have placed Mrs. Chadwick, her son Emil, Chadwick, and her husband, Dr. Leroy S. Chadwick, in Brussels, and Mrs. Chadwick's fortune would then have been \$2,000,000. It was her desire to make just one more deal with \$500,000 as the stake. The action of United States Attorney John J. Sullivan in causing her arrest when he did checkmate her.

CRISIS MAY COME AT ANY HOUR

Situation of Ohio River at Cincinnati Is Very Critical.

Cincinnati, Feb. 21.—The crisis in the river situation may come at any hour according to the government forecaster. However, he said today that the danger of great loss was less.

The government forecaster said that foggy, rainy, softening weather will prevail tonight and this will have considerable effect on the ice. The break-up is not likely to be so serious as at first anticipated, since the ice is becoming mush.

The river continues falling here, and as long as there is no rise, the river men say the ice will not break.

In the harbor here the river has fallen half a foot Sunday morning, and a good many barges and other floating property had been forced out on the bank.
